1. Introduction

Congratulations, and thank you for choosing Naxa Wireless Bluetooth® Headphones. This manual will help you operate the Naxa Wireless Bluetooth® Headphones, but you should first familiarize yourself with the Bluetooth® functionality of your mobile phone or other device before using the Naxa Wireless Bluetooth® Headphones.

Safety Rules

- 1 Please follow the rules depicted in this manual closely to ensure your safety. Before using these Bluetooth® headphones, we would strongly encourage you to read through this user manual.
- 2 Be wary of any edges, uneven surfaces, metal parts, accessories and its packaging to prevent any possible injury or damage.
- 3 Do not modify, repair or dismantle these headphones. Doing so may result in fire, electric shock, complete breakdown of these Bluetooth® headphones, etc. All of which are not covered under warranty.
- 4 Do not use any diluent or volatile liquid to clean the Bluetooth headphones.
- 5 Do not use the Bluetooth® headphones in a hazardous location.

4.2. Pairing to a mobile phone or other device

To use your Bluetooth® headphones, you must first pair your headphones with a phone or a computer. Once your Bluetooth® headphones are paired to a specific mobile device, they will remain paired and automatically recognize each other whenever they are within range.

Pairing to a Bluetooth® Enabled Mobile Phone

- Turn on your phone and ensure the Bluetooth function is activated.
- Turn on the headphones, enter the pairing mode.
- Search the Bluetooth® devices on your phone by following the phone's instructions. Refer to your phone's user manual for more information.
- After a few seconds the phone will list the "NE-942" as a discover device. Select it and follow your phone's instructions to select this pairing.
- You can play music, watch TV shows/movies, and play games with your device, with all of the sound coming from the headphones.

4

4.3. Charging your headphones

Use the Micro USB cable provided with these headphones. Connect the Micro USB plug to the Micro USB charging port on the headphones positioned at ① in headphones diagram on page 2. Connect the USB plug to a USB port on a computer or wall adapter to activate charging.

** Make sure to charge the headphones for a minimum of 6 hours before initial use.

Warning:

- You must select a qualified charger from a regular manufacturer.
- You must charge the Bluetooth headphones if it has been not used for more than 12 months.

6. FAQ

1. Why is there no power even when the Headphones are turned on?

Ans: Ensure the battery has been charged up to 6 hours for initial use.

2. There is no sound during playback.

Ans: Check the connection between the headphones and the phone or computer, if the connection is not established, please connect again. Make sure the headphones are paired with your Bluetooth enabled device.
