1.Introduction

Congratulations, and thank you for choosing THE FORCE Neckband Bluetooth® Earphones. This manual will help you operate your new Naxa earphones, but you should first familiarize yourself with the Bluetooth® functionality of your mobile phone or other external devices before using THE FORCE Neckband Bluetooth® Earphones.

Safety Rules

- 1 Please follow the rules depicted in this manual closely to ensure your safety. Before using the product, we would strongly encourage you to read through this user manual.
- 2 Be wary of any edges, uneven surfaces, metal parts, accessories and its packaging to prevent any possible injury or damage.
- 3 Do not modify, repair or dismantle the product. Doing so may result in fire, electric shock, complete breakdown of the product, etc. All of which are not covered under warranty.
- 4 Do not use any diluent or volatile liquid to clean the product.
- 5 Do not use the product in a hazardous location.

4.2.Pairing to a mobile phone

To use your Bluetooth® earphones, you must first pair your earphones with a phone. Once your Bluetooth® earphones are paired to mobile phone, they will remain paired and automatically recognize each other whenever they are within range.

Pairing to a Bluetooth® Enabled Mobile Phone

- Turn on your phone and ensure the Bluetooth function is activated.
- Hold the Power Button for 3 seconds, entered the pairing mode when the blue & red light flashing.
- Search the Bluetooth® devices on your phone by following the phone's instructions. Refer to your phone's user manual for more information.
- After a few seconds the phone will list the "NAXA NE-971" as a discovered device. Select it. Follow your phone's instructions to establish a pairing.
- The blue light begins flashin slowly and a tone will sound upon successful connection.

4

4.3.Charging your headphones

Use the Micro USB cable provided with these earphones. Connect the Micro USB plug to the Micro USB charging port on the earphones. Connect the USB plug to a USB port on a computer or wall adapter to begin charging.

* Make sure to charge the headphones for a minimum of 3 hours before initial use.

Warning:

- You must select a qualified charger from a regular manufacturer.
- You must charge the Bluetooth headphones if it has been not used for more than 12 months.

6.Notes

1. Charge in a safe environment. Charge when the charge indicator light turns blue. Please separate the Bluetooth earphones from the charging cable as soon as at a full charge in order to avoid damage to the earphones from prolonged periods of charging.
2. When you use these Bluetooth earphones to listen to music or make/take calls, please pay attention to the appropriate adjustment of the volume, so as not to damage your hearing.
3. To avoid damaging the battery, keep the battery fully charge when the product is not being used for long periods of time.
4. Avoid direct sunlight and dusty environments.
5. Using this product in areas where a 2.4G frequency is operating may cause the wireless range to be lower than usual. This is normal.
