

Features

- Charges up to 8 devices at once, making it perfect for families, office settings, or public occasions
- Sturdy clear dividers between ports of the docking station provide a good spot that prevents devices from slipping out
- 2 x 20W USB-C High Power Delivery (PD) ports allow you to charge your Apple®, Android®, and other devices faster than ever before
- 4 USB ports add additional charging options with a maximum total output of 70W, the fast-charging capabilities will have all of your devices running at full strength in no time
- Smart IC technology allows the unit to automatically identify your devices and distribute the safest current at the fastest possible speed
- Comes with 2 AC outlets built-in, allowing you also charge your laptop, computer, and/or other AC powered products
- · Built with over current and overload protection, ensuring your charging experience is a safe one
- Accessories included: ETL Approved Power Adaptor & Cable, User manual

Product Details

Model NAP-5001

Specifications

o Product Name: 8-in-1 Dock Charging Station

o Input: 100-240V 50/60Hz

AC Output: 125V-60Hz 10A 1250W Max

o Total Output: 70W Max

USB-C 20W High Power Delivery (PD) Ports: 5V/3A, 9V/2.22A, 12V/1.67A, PD 20W Max

USB Output: 4 USB share 5V/6A (with Smart IC)

 Power Cable Length: 5 Feet Device: ETL approved

o Accessories included: ETL Approved Power Adaptor & Cable, User manual
