- Set the mood for any occasion with speaker lighting according to music
- Long-lasting battery life offers up to 3 hours of play time from a full charge
- Accessories included: USB charge cable, user manual

Connecting Power

Works on internal rechargeable Lithium battery. Please charge your speaker fully before first use. To charge the battery :

1. Using a Micro USB cable (included), insert the jack into Charging jack located at the back of the units and then plug the USB connector into the USB port on a computer for charging.
2. A red light aside will indicate the charging situation. When battery is full, the red light will turn off automatically.

Bluetooth® Mode

Single Speaker Pairing:

1. Turn on one unit ONLY by sliding the switches on the back to "ON". The device will go to SINGLE SPEAKER MODE after 20 seconds
2. Turn on BT mode in Mobile/Device Bluetooth menu. Next, search the model name "NAS-3108D" click to connect. Then, after a few seconds, the blue light will flash slowly following a successful connection.

If connection fails, restart device and do steps 1 & 2 again.

Twin Speaker Pairing:

1. Turn on both units **AT THE SAME TIME** by sliding the switches on the back to “ON”, the blue indicator lights flash quickly and start pairing.
2. Wait for 5-10 seconds, a tone will prompt out and two speakers paired automatically. After paired successfully, Bluetooth Blue light on one unit will flash slowly, on the other unit is still flash quickly.
3. Turn on BT mode in Mobile/Device Bluetooth menu. Next, search the model name “NAS-3108D” click to connect. Then, after a few seconds, the blue light will flash slowly following a successful connection.

NOTE: When the twin speakers have been paired once, they will automatically reconnect in the future.

Music Playback

Once you have paired an external media device with the twin speakers via Bluetooth®, you can play all of your favorite songs over the speakers. To do so:

1. Open the music library on your connected Bluetooth® media device.
2. Choose a song and begin playback to stream music through the connected twin speakers.

Answering Phone Calls

Once you have paired an external media device with the twin speakers via Bluetooth®, you can answer, end, or make calls via your twin speakers. To do so:

1. To answer an incoming call, press the play/pause button once.
2. To end an ongoing call, press the play/pause button once again.
3. To redial a number, press the play/pause button twice.
