Corporate Mission

Naxa Electronics designs and distributes consumer electronics that entertain and delight at a very competitive price. Our mission is to deliver products that stand out from the crowd. Whether your business is retail, wholesale distribution, or e-commerce, Naxa will give you the product assortment and packaging you need to create customer acquisition and retention.

Our product development team brings items to market that consumers demand by embracing the latest innovations in both technology and design. We are committed to responding to the needs of our users and our partners.

Along with product innovation, Naxa is dedicated to providing unequalled service. Our management team and staff do everything within their power to satisfy all needs and requests. We've expanded our sales support team to ensure that users and partners receive courteous, positive, and prompt communication at all times. We have also expanded our corporate office and warehouse facility in Vernon, California—just a few short miles from downtown Los Angeles. The new office and warehouse complex together with our updated systems and overseas subsidiaries have expanded our global footprint and have given us the capability to provide high level support worldwide that our customers have come to expect.

Now the moment you have been waiting for... Naxa Electronics is proud to present to you this year's product offering!

NT-2410B

24" LED Widescreen FHD Television

- A Full HD TV that fits in any space and plays digital media files
- Native 1080p Full HD (1920 x 1080) Resolution
- Built-in Digital ATSC TV tuner that receives free over-the-air HD TV stations
- Plays music and view photo files from a USB flash drive
- Inputs: HDMI, composite, cable/antenna, PC-VGA + Audio, USB
- Outputs: coaxial digital audio, headphone
- VESA 100mm x 100mm Wall Mount Compatible
- Power: AC 100-240V adapter, DC 12V
- · Accessories included: Remote control, TV stand, AC power adapter, DC car cord, L-shaped coaxial adapter, User manual

NT-3204

32" Class Widescreen HD Television with AC/DC Car Package

- 32" HD TV (720p) that plays digital media files
- Native 720p HD (1366 x 768) Resolution
- · Connect to your computer via HDMI input to view content in high-quality resolution on LED TV
- Built-in Digital ATSC TV tuner that receives free over-the-air HD TV stations
- Play music and view photo files from a USB flash drive
- Inputs: HDMI x 3, YpBPR & AV IN, PC-VGA + Audio, & USB
- · Outputs: Coaxial digital audio, headphone
- VESA 200mm x 100mm Wall mount compatible
- Power: AC 100-240V and DC 12V car adapter
- · Accessories included: Remote control, TV stand, Car cord adaptor, User manual

NT-3205

32" Class Widescreen HD Television

- 32" HD TV (720p) that plays digital media files
- Native 720p HD (1366 x 768) Resolution
- Connect to your computer via HDMI input to view content in high-quality resolution on LED TV
- · Built-in Digital ATSC TV tuner that receives free over-the-air HD TV stations
- Play music and view photo files from a USB flash drive
- Inputs: HDMI x 3, YpBPR & AV IN, PC-VGA + Audio, & USB
- · Outputs: Coaxial digital audio, headphone
- VESA 200mm x 100mm Wall mount compatible
- Power: AC 100-240V
- · Accessories included: Remote control, TV stand, User manual

LED TVs with Built-in DVD Player

NTD-1356

13.3" LED Widescreen HD TV with DVD Player + AC/DC Car Package

- 13.3" HD TV that can play DVDs and digital media files as well as fit into tight spaces
- Native 720P HD (1366 x 768) Resolution
- · Built-in high-definition Digital ATSC TV tuner
- · Plays DVDs as well as digital movies, music, and photo files from USB and SD cards
- · Inputs: HDMI, Component/Composite (audio-shared), RF 75 Ω coax, PC-VGA + Audio, USB 2.0

Soundbars & Home Speaker Systems

One of the great success stories in consumer electronics has been wireless Bluetooth® technology. Consumers have snatched up Bluetooth® enabled products in great numbers because of how easy it is to enjoy music without the hassle of cables or expensive docking stations that need to be replaced. However, the set up and pairing process with Bluetooth® has always been a pain. Until now. Naxa electronics is introducing 1-touch set up for Bluetooth® with NFC®. When you see a Naxa speaker with the NFC® emblem, that means you can connect wirelessly to that speaker within seconds. Simply touch the back of your smartphone, tablet or other Bluetooth® with NFC® enabled device to the emblem, and and voilà! Instant. Audio. Nirvana. No more pin numbers and complicated menus that get in the way of your music. Naxa 1-touch Setup is just that easy!

* iOS does not currently work with NFC® setup.

32" TV Sound Bar with Bluetooth®

- A 32" wireless sound bar system with Bluetooth®
- · Two full-range drivers deliver 6W RMS total output power
- · Connect to music players wirelessly with Bluetooth® technology
- Input: 3.5mm AUX audio
- Wall mount or desktop installation

Audio

Naxa Electronics has a proud history of serving the audio needs of its customers. From traditional boomboxes updated with Bluetooth® and MP3 playback to harder-to-find cassette players, Naxa keeps things current while still honoring the past.

As the world continues to go digital and portable, Naxa has expanded its line of portable Bluetooth® speakers. Flexible wired and wireless connection options, built-in MP3 playback from flash drives, waterproof coatings, and rechargeable batteries are just some of the standout features you'll find throughout the line. From small travel speakers all the way to powerful speakers with built-in subwoofers, Naxa has exactly what you're looking for.

Along with providing high-quality, standalone speakers, Naxa also offers hard to find audio solutions in portable MP3, video, CD players, and bookshelf systems. Whatever you need, Naxa has a solution for you.

Portable Bluetooth® Speakers

NAS-3010

Portable Bluetooth® Speaker with Carrying Strap

- Bluetooth® functionality allows you to wirelessly stream all your favorite entertainment content from Bluetooth-enabled devices in high-quality audio
